

### **Step 3 – Review Process**

Applying for the Active School Flag is a process.

The first stage of the process requires schools to look at their current situation for each of the review areas. There are 15 review areas and these are located under the Primary and Post Primary tabs.

Schools should download the ASF Application form and photocopy the ASF Application Form Guidelines, both of which are located under the Primary and Post Primary tabs.

A detailed description of the ‘Current Situation’ for each review area must be included in the application form.

The next stage of the process should be for the Active School Flag committee to brainstorm the possible improvements that could be made in each of the review areas.
